Dance Satirist to Give Assembly Next Monday

Iva Kitchell, America's number one dance satirist, will perform Monday, October 21, at the ten o'clock assembly. She knows dancing thoroughly as her native language, and can dance in many dialects—ballet, modern, character, or folk.

Despite being only five feet one inch in height, the energetic Miss Kitchell has the reputation of creating hilarious laughter from the start to the finish. She promotes humor by poking fun at all kinds of dancing and at people in general. Iva has an astonishing gift for vivid mimicry and impersonation.

Her ability at acting makes one woman appear as several different persons as quickly as most people remove their hats. Miss Kitchell is also able at the art of pantomime. She is her own author, choreographer, and costume designer. In creating a new dance, she often makes her costume first.

Native Kansan

Miss Kitchell, a native of Kansas, made her debut at the age of four. At fourteen she was a member of the Chicago Opera Ballet, but she gave up ballet because she had the habit of finding something comical or humorous in the most serious moments and places.

"I work on a thing until I know what I will be doing on every sixteenth note of the music. I labor over the technique until I am no longer able to improve it; then I try to forget the whole elaborate structure of the dance, and actually live the character I am portraying," she says, in speaking of her dance routines.

Iva entered the concert stage, and since her performance at Carnegie Hall, which started her reputation, she has given more than six hundred concerts in the United States and Canada. Kitchell has recently toured the Hawaiian Islands and South America.

Brown Is Accompanist

Harvey Brown, who has been her accompanist from the beginning of her career, will journey with her to the College, according to Dr. Sterling Surrey of the business department. Brown furnishes the music and has composed several of the numbers to be presented.

Kitchell will announce her own program, which will last 50 minutes.

Committee Announces Queen Requirements For Oct. 31 Election

Election of the Homecoming Queen will be held Thursday, Oct. 31, in the Administration Building, from 8 a.m. to 4 p.m.

Requirements for the nomination of queen candidates have been announced by the Student Senate.

Regulations are (1) any group of twenty-five students may enter a candidate, (2) every candidate must have a manager, (3) no freshman may be a candidate, and (4) all nominations must be received by the Queen Committee by Friday, Oct. 18.

Candidates and managers will meet Monday, Oct. 21. Time and place will be announced later.

Twenty dollars has been set as the limit for campaign expenses. This amount does not include the price of one picture. Campaigning will begin Tuesday, Oct. 29, and all signs must be down by 4 p.m., Thursday, Oct. 31.

Coronation ceremonies will be held immediately following the first performance of the Variety Show Thursday evening, October 31, in the auditorium.

Monetary Prizes Will Be Awarded For Homecoming

Cash prizes amounting to \$607.50 will be awarded in several divisions of Homecoming events. Variety show prizes will be first, \$25; second, \$20; third, \$15; fourth, \$10; and fifth, \$5.

Prizes to be awarded in the various sections of the parade are Class A, beauty float, first, \$60; second, \$50; third, \$40; fourth, \$30; fifth, \$25; and honorable mention, \$10. Class B, humor float, first \$35; second, \$25; third, \$15; fourth, \$10; fifth, \$7.50; and honorable mention, \$5.

Best individual clowns in the parade will be awarded, first prize, \$12.50; second, \$10; third, \$7.50; fourth and fifth, \$5. Best groups of clowns will receive, first, \$15; second, \$10; and third, \$7.50.

Best jalopy prizes will be first, \$15; second, \$10; third, \$7.50; fourth and fifth, \$5. Prize winners in house decorations will receive, first, \$30; second, \$25; third, \$20; fourth, \$15; fifth, \$10; and honorable mention, \$5.

Distribution of prizes in the two float classes may be changed because of the number of entries in each class.

Homecoming activities will begin Thursday evening, Oct. 31, with the crowning of the queen, and the Variety Show and will continue through Saturday evening, Nov. 1.

Maryville Voters Pass Water Bond

An adequate water supply for the College and Maryville was approved by the voters on election day. The \$605,000 water bond will provide pure water for the city. This will help protect the health of the students of the College and of the citizens of the community.

The long-range benefits will provide for greater fire protection, more adequate water service to certain parts of the city, extension of service to the new homes, and provide water for industrial expansion which is certain to come with a growing and progressive town.

OFFICERS OF THE SENIOR CLASS . . . of 1958 are these four, who were elected last Wednesday, Oct. 9. Left to right they are Joseph Ochoa, Kansas City, treasurer; Wayne Jackson, Barnard, president; Barbara Julius, Kansas City, secretary; and H. M. Beaman, Maryville, vice-president.

OVER THE COUNTER . . . go a few slices of the 45 loaves of bread that students consume in one meal at the cafeteria. Carol Gress and Carolyn Trively, employees at the cafeteria, begin their noon hour duties as they serve a line of hungry boys.

NWMSC Students Consume 1800 Meals Daily at Cafeteria

Can you imagine cooking 150 pounds of roast beef for just one meal? One person on campus does. She is Mrs. M. T. Sheldon, Director of Food Services at the cafeteria.

In serving 600 students for only one meal, 10 five-gallon cans of milk and 45 loaves of bread are consumed. When hot dogs are on the menu, 50 dozen buns are needed.

Thirty pounds of bacon and 20 dozen eggs are served at one breakfast. Fifteen gallons of pudding and 200 pounds of potatoes are prepared for a single meal under the supervision of Mrs. Sheldon.

Her duties are to buy the food, plan the menus, and manage the student and kitchen help. Menus are planned a week at a time with each of the seven days' meals being different from the preceding week. In connection with meal planning, Mrs. Sheldon added, "The goal is well-balanced diet, with emphasis put on fresh fruits and vegetables."

"she added with a sparkle in her eye, "we try to fill them up."

Twelve Ovens

She says she has an excellent crew of helpers and good equipment with which to work. The latter consists of two dish washers, two garbage disposals, twelve over-sized ovens, and two large steam kettles used in preparing any food that is cooked by steam heat. In cooking by this method, more food nutrients are retained.

Three meals are served every day during the fall, winter, and summer terms except during regular vacations and Sunday evenings. In addition to this rigorous schedule, the Board of Regents and the Nodaway County School Administrators are served at their monthly meetings. Food for special parties and punch for dances and receptions on campus are prepared by the cafeteria help. Last Thursday and Friday 500 teachers attending the teachers' meeting on campus were served their noon and evening meals during their stay.

Forty-two students are employed to serve in the serving line, to clear (Continued on Page Three)

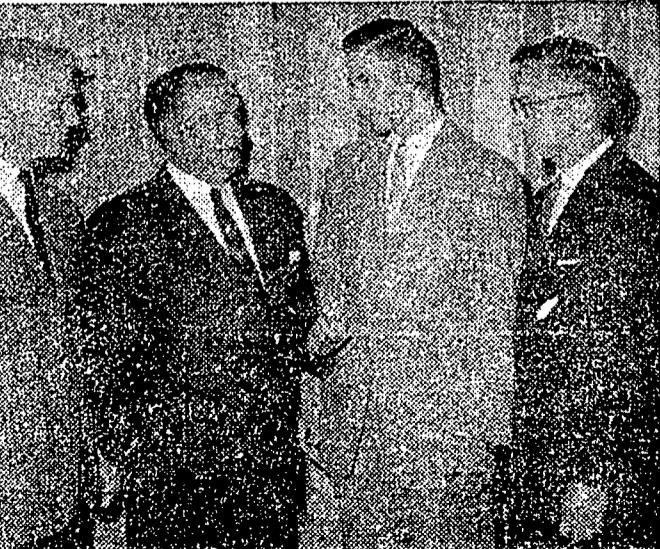

Traveling Trophy To Stop in 1958

Still in circulation this year is the new traveling Supremacy Trophy for Homecoming. The organization having accumulated the greatest total number of points by the end of 1958 will gain permanent possession of the trophy.

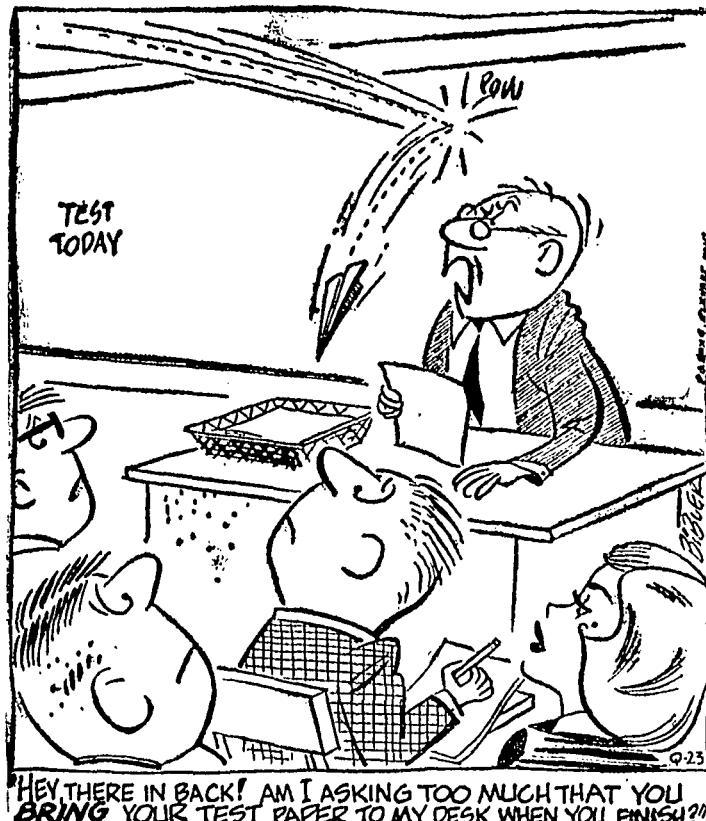

Records from 1956 show Alpha Sigma Alpha, Sigma Sigma Sigma, and Sigma Tau Gamma tied for first place with 19 points each. Phi Sigma Epsilon and Tau Kappa Epsilon each have 14, and Delta Zeta and Independent Club have 10 points each.

Sophomores to Meet

Members of the Sophomore class will meet today at 12:15 in room 224 to elect a president and a treasurer.

MISSOURI'S ATTORNEY GENERAL . . . John M. Dalton spoke to students and faculty last Wednesday night in the Union Lounge. Shown above are left to right, Jim Taylor, president of the campus Young Democratic club; Dalton; Larry Brown, 12th district Young Democratic treasurer; and Mr. Charles Hyde, faculty sponsor of the campus organization.

Off to Good Start . . .

Touch football season is over and the intramural program is off to a good start. There were many good teams entered this year, which made for very keen competition. This is true of our total intramural program.

Basketball and wrestling are next on the list of activities for men, and will start the week after mid-terms. There was an excellent turn out for football and even larger groups for basketball and wrestling are expected. The wrestling tournament will run for either one or two nights, and the basketball games will run until February.

The coming events for girls' intramurals are basketball, bowling, and riflery. Basketball will start November 11 and 12 with bowling getting under way the 14th.

It is hoped that all students will support and enjoy the intramural program and make it an even bigger success than it was last year.

—Paul Kerber.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Notice

To All Students

Graduate students and upperclassmen who are interested in improving their reading should see Mr. Ralph F. Cater in the Reading Clinic at the Library during the 9 o'clock hour on Tuesdays and Thursdays.

All freshmen who have been assigned to the Reading Clinic supervised by Mr. Ralph F. Cater must attend classes and do the required work. Grades will be withheld until the reading requirements are met. Attendance is compulsory!

Crafts Class Builds Stage Sets for Play

Dr. Ralph E. Fulsom, head of the speech department, and the stage crafts class are busy building sets for the play, "Charley's Aunt," which will be presented Nov. 25 and 26.

So far they have completed one of three sets which will be used in the play. The set completed is an interior scene of the boys' living quarters at an English university.

The two sets which are now under construction are a campus scene and a setting of a Victorian living room. Costumes of the 1892 style which will also be used in the production are being designed in the art department under the direction of Miss Olive DeLuce, chairman of the art department.

The Stroller . . .

WHILE READING the Oct. 2 MISSOURIAN, The Stroller noticed the article on the comedy farce, "Charley's Aunt," to be given by the drama department Nov. 25 and 26. Dan DeMott was chosen for the part of Lord Fancourt Babberley and Richard K. Miller will enact the character of Brassett. The boys have both been working hard along with the rest of the cast to make the play a success.

LAST WEDNESDAY at about 12:30 The Stroller noticed that the halls were emptier than usual. Later he learned that the classes were meeting in assigned rooms to elect officers. He heard someone say that more class members were present at the meetings than there had been for a number of years. That's unofficial, of course, but The Stroller thinks this is another indication of the rising school spirit.

TESTS AND more tests! Every time he turns around The Stroller hears groans from his classmates about pop quizzes, hour tests, unit exams, and every other kind of test imaginable. In only two more weeks, mid-term examinations will begin, so The Stroller thinks these preliminary tests are good for warming up for the really difficult ones.

Work in Ad Building To Continue Quietly Through Winter Months

Boom! Boom! Pow! It sounds like the introduction of the Anvil Chorus, but really it is only the drilling and hammering of the workmen remodeling the Administration building.

Will it ever stop? That is the question frequently heard around the campus when students gather to talk and sometimes shout over the noise. Ah yes, the end is now in sight.

"The part that the noise is involved in is about over," was the comment by Mr. Luther Belcher, business manager of NWMSC.

All of the restrooms in the Administration building are being remodeled. The main project, however, is the new heating system which is being installed. This new heating system will be able to operate either on gas or oil but will be run on gas here at Maryville. The old system was strictly an oil burning system. The new heating system will not be completely finished until next spring since it will be impossible to shut off the present heating system during the winter months.

The work will continue until then, but on a quieter scale.

Eight professionals are hired to do the cooking: Mrs. Mary White, assistant to Mrs. Sheldon; Mrs. Clara Bailey, Mrs. Jenny Cronk, Mrs. Ruth McElroy, Mrs. Mae Kempf, Mrs. Mildred Dean, Mrs. Cleo Perkins, Mrs. Verlene Cook, and Mrs. Helen Schenkel.

Since the cafeteria does not receive any government surpluses, Mrs. Sheldon buys all of the food from private wholesale companies.

Mrs. Sheldon obtained her BS at South Dakota State with graduate work having been done at the University of Nebraska. She was formerly home economics teacher at Ruskin High School in Hickman Mills where her duties included helping supervise school lunches. Mrs. Sheldon this year replaced Mrs. Ruth Burke, who had held the position four years.

Movies to be shown during the coming weeks include "Blue Gardenia," which will be shown October 25, "Helen of Troy" on November 8, "The McConnell Story" on November 15, and "National Velvet" on December 6.

FOREIGN STUDENTS REPORT

Every week foreign students on this campus receive several invitations through Dr. Joseph A. Dreps, chairman of foreign languages, from different organizations to give speeches about their countries, the style or fashion of dress worn, religion, culture, education, government and climate.

Two students, Miss Sara Figueroa from Mexico and Mr. Nossrat Shilati from Iran were invited to the Women's Federation Club in Stanberry recently.

Alumni meeting of Northwest Missouri State College Saturday, October 5, at the Pickett School in St. Joseph. Congressman William R. Hull, Jr., was the speaker.

President J. W. Jones, Dr. John Taylor, and Dr. Leon Miller left yesterday for Jefferson City. President Jones attended a meeting of the college presidents, and Dr. John Taylor and Dr. Leon Miller represented NWMSC at a conference of faculty members of the four state colleges. The subject to be discussed was "Teacher Retirement."

Over sixty prospective pledges attended the Phi Sigma Epsilon smoker held Tuesday, Oct. 8, in the recently remodeled chapter room.

Bernie Cullen acted as master of ceremonies for the entertainment. The George Green Orchestra furnished the music. Tri Sigma members Joyce McCole, Karen Hawk, Eva Hess, Patsy Salmon, and Marcia Rucker presented a song and dance number.

Ron Searcy, Don Bennett, and Charles Carroll gave speeches on the fraternity's functions and social affairs.

Interest has been shown by the large group of upperclassmen who have gone to Falk's studio to have their pictures taken for the Tower.

There were one hundred ninety-one seniors and one hundred forty juniors who were included in this group. The sophomores completed their picture taking last Thursday. The freshmen are now arranging for sittings.

A.C.E., the campus organization for elementary majors, journeyed to St. Joseph last week to visit the Myrtle E. Miller School for exceptional children and the Mary U. Kneipp school for handicapped children.

Upon their arrival, Miss Miller served coffee and doughnuts and told about the purposes of the schools. They were unexpectedly entertained by the Junior High chorus. Later the collegians toured the buildings, seeing actual classes in progress.

President and Mrs. J. W. Jones and Mr. and Mrs. Everett Brown attended the St. Joseph Chapter

Thirty-five students, who are taking either machine shop or general shop, recently visited the Midwest Machine Tool Show at Kansas City. The exhibit is sponsored by the Ellfeldt company, in co-operation with more than 40 machine tool manufacturers in the United States, Denmark, Sweden, Belgium, and West Germany.

The group also visited the Sheffield Steel Company, which is the largest steel company in the Midwest.

Charles Hagee won first place in the Intercollegiate Oratorical contest in Hannibal, October 2. This contest was sponsored by the Missouri Women's Christian Temperance Union.

He has now earned the right to represent the state in the national contest to be held in Washington, D. C., during August or September of 1958. The title of his speech was "The Catered Disease."

Alpha Psi Omega will present two awards at the Honors Day assembly. These awards are the best actor or best actress award and a service award.

Any student who participates in speech department plays or assists in stage craft is eligible for the awards.

Alpha Psi Omega will vote on the students who are eligible for the presentation. These awards to be presented are to be kept by the students.

John Lindell, a 1954 graduate of this college, has entered the State University of Iowa this fall to begin work on a master's degree in accounting. After graduating from NWMSC, Mr. Lindell entered the army. He was stationed in France.

Newly elected officers of the junior class are Charles "Butch" Kavanaugh, Hamilton, president; Eva Lee Hess, Skidmore, vice president; Robert W. James, Albany, secretary; and James Jarvis, Kansas City, treasurer.

Bearcats Hope to Undermine Rolla Miners

'Cats Still Look For First Victory In the Conference

Returning home after two games away, the Bearcats play the Rolla Miners in a twilight affair which begins at 8:00 Saturday, Oct. 19.

Showing their scoring punch for the first time in a game at William Jewell, the Bearcats will be trying to regain the prestige they once held in the conference a few years ago. With the vast amount of improvement and the fired-up spirit the team has obtained since the start of the season, this could very well be the year that Coach Ryland Milner has been looking for.

Saggau Continues to Lead

Henry "Tip" Saggau continues to lead the team in scoring, with just about everyone else in the backfield chipping in a touchdown apiece.

Past records show that the Bearcats have won 8 while losing 14 and tying 1 in a series that dates back to 1931. Last year the Rolla Miners proved too much for the Maryville team in a game that went to the Miners 27-7. The last win for the Bearcats over the Miners was an 11-6 contest two years ago.

Nine Seniors May Start

Nine seniors are probable starters with Dale Klohr (number 41), left tackle; John Jones (22), left guard; Bill Varga (7), center; Bill Englehardt (29), right guard; Don Agers (39), right tackle; and Wally Northup (26), right end, composing the stone wall their opponents find in the way and Eddie McPherson (28), quarterback; Perry Allison (16), right halfback; and Bill Beydler (18), fullback in the fast backfield. The other two starters are John Sullivan (25), sophomore left end; and Ray Parker (3), junior left halfback.

Returning lettermen for the Rolla Miners are 16 in number. Dick Boyett, Sr. tackle; Bill Hill, Sr. halfback; Kenneth Jobe, Jr. end; Paul Kemper, Jr. end; Newton Wells, Jr. quarterback; Hugh Wilson, Sr. halfback; and Klohr, Jones, Varga, Englehardt, Agers, Northup, McPherson, Parker, and Allison are the letter winners.

Bill Beydler, a transfer student from Missouri Valley; Max Smith, a former letterman at Central Missouri State, another fullback; and Lewis Whitehair, an end, a transfer student from Bartlesville, Oklahoma, should bolster the team considerably.

McPherson and Varga Are Captains

Eddie McPherson and Bill Varga are co-captains for the year. On the strength of his playing last year, Varga was selected as all conference center.

Ray Parker and Perry Allison lead the scoring parade for the Miners.

Gale Bullman, athletic director and head football coach of the Miners, heads the coaching staff with Dewey Allgood, a former coach at Northwest Missouri State and Burr Van Nostrand, an ex-footballer at Springfield, as his assistant coaches.

Having won two and lost three, the Miners will be seeking to even their record against the Bearcats.

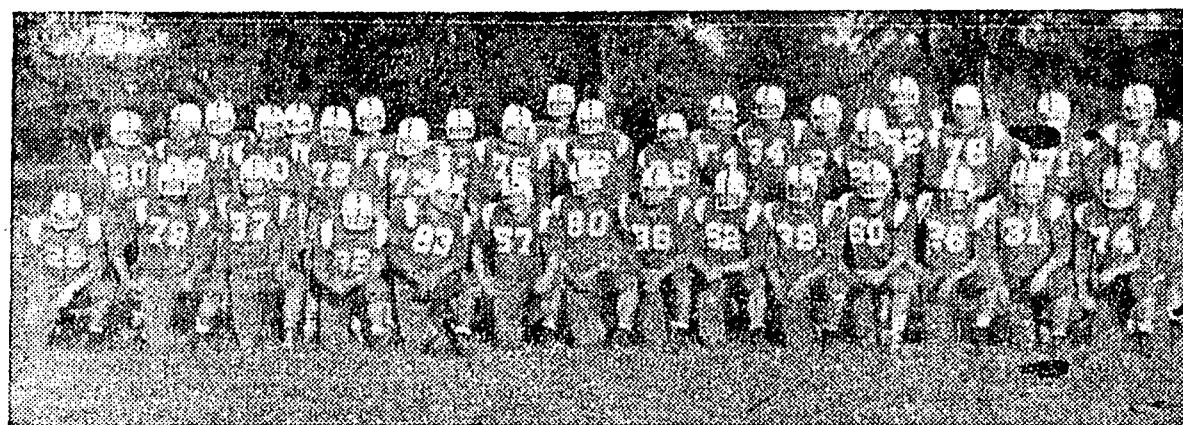

KFEQ Will Broadcast

Saturday night, Oct. 19, the game between the Bearcats and the Rolla Miners will be broadcast over radio station KFEQ of St. Joseph.

"B" Team Scores First Win, 27-6

Quarterbacking by Hank Nardone and Don Dougherty led the Bearcat "B" team to a 27-6 victory over the Warrensburg "B" team here October 7.

Bearcat touchdowns were scored by Max Ross, who hustled 40 yards for the counter, Dean Simmerman who crossed from ten yards out, Hank Nardone, who scampered 25 yards and a pass from Don Dougherty to Micky Nardin which was good for 10 yards and a touchdown.

Forty-nine Bearcats saw action in the game which boosted the "B" team record to one win and one loss.

October 17 the "B" team will travel to William Jewell where the Bearcat mentors, Tremble and Gregory, will match wits with the Liberty coaches.

Bearcats Lose Heartbreaker, 3-0

In Last Period at Springfield

Defense was the rule and offense the exception in a game at Springfield last Saturday night, as the Bearcats lost to the Bears in a disheartening contest, 3-0; however, both teams played well and neither had anything to be ashamed of.

Penalties repeatedly hurt both teams throughout the entire game as Springfield had two touchdowns recalled and the Bearcats offense was stalled time and time again.

Two touchdowns were called back before sophomore halfback Bob Halterman booted the game winning points, from 31 yards out, with 12 minutes remaining in the game.

Continuing to play with only one quarterback, as Dick Powell is still on the injured list, the Bearcats played better than expected against the team that is rated number one in the conference.

Springfield, co-champion of the M.I.A.A. conference last year, won their third straight after losing their first game of the year.

Maryville's Bearcats

proved that they are a much improved ball club. They played much higher caliber ball than had been played previously.

Outstanding players in the Jewell game included Ken Stevens, who caught a touchdown pass and was outstanding on defense, and Fred Fuhr, who was good on his line plunges. Henry "Tip" Saggau did a fine job of mixing the plays, while Mel Gibson was a steady ground gainer for the 'Cats.

The B team evened their record at one win and one defeat. Hank Nardone and Gene Simmerman for touchdowns. The other two touchdowns were by Max Ross on a 35 yard jaunt.

Asian flu has downed numerous football teams throughout the country this fall, including Oklahoma and Iowa. This flu can ruin a ball club. Let's all hope the Bearcats don't get it.

Swimming is now available to students from 2:00-4:30 p.m. on Tuesdays, Thursdays, and Saturdays. All students are welcome.

Pre-Season Closes; Conference Begins

Now that the pre-season games are out of the way, the conference teams can proceed along their happy little ways. No more worries about having their brains beaten out by non-conference foes.

This year's won-lost column will go into the books as having been one of the worst ever to be compiled against outside teams. As the teams now swing into conference play, they leave a record of 6 wins, 14 losses, and 4 ties, in their wake.

During the last week of non-conference play, the teams improved their record somewhat by winning two and tying one while losing the other three. Springfield won its second game by beating the once powerful Missouri Valley, 37-13. Cape Girardeau picked up its first win, a 13-6 decision, over Arkansas Tech, while Maryville had to settle for a 19-19 tie with William Jewell. Kansas teams seemed to hold a strange spell over the M.I.A.A. conference with no less than four teams accounting for seven victories against one loss. Pittsburg State was especially tough as they won four straight.

Super Sub!

It's been said that the atomic submarine "Nautilus" stays submerged so long that it only surfaces to let the crew re-enlist.

Perhaps for this reason, the Navy has taken valuable space aboard the "Nautilus" for the only soft-drink vending machine in the entire submarine fleet.

Naturally (or you wouldn't hear about it from us) it's a Coca-Cola machine. And not unexpectedly, re-enlistments are quite respectable.

Rugged lot, those submariners. Great drink, Coke!
